How to Use the Service

Your personalized PDF file is an instant and continuous advertisement. For example, your ad can be shown to prospective customers using dedicated websites such as the FREE Craigslist service, or displayed inexpensively in a local newspaper, or with an on-line classified ad:

Deerfield Beach — For Sale by Owner - 3 BR, 2 Bath, pool
Go to <http://OwnersDisplay.com/homes.html> (954) 555-5432

Your advertisement link can be e-mailed selectively to salespeople or to all interested buyers. Simple announcements can be distributed and/or posted locally. The possibilities are endless.

For Sale by Owner
